Text message example

To log in:

• Go to www.schoolmoney.co.uk (this web address will be provided to you in your text). This will bring up the parent log in page.

The easy way for parents to pay for...

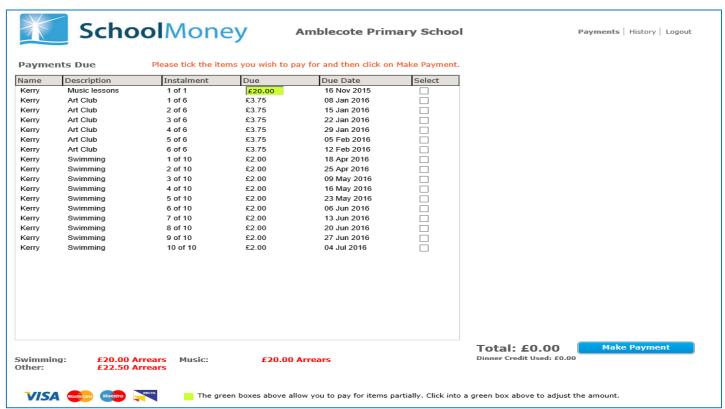

Input your mobile number, email address and the password that has been provided by the school. Press log in and it will take you to a page that asks for your child's first name.

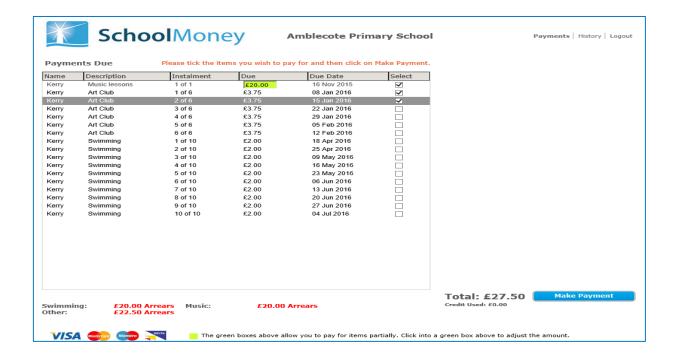

Type in your child's first name and select 'confirm,' this will log you into the payments screen.

Making a Payment

• Once you have logged in to your account, you will then be able to make a payment for out of school clubs, school trips, sports clubs, music lessons and art club.

Any outstanding payments will be shown.

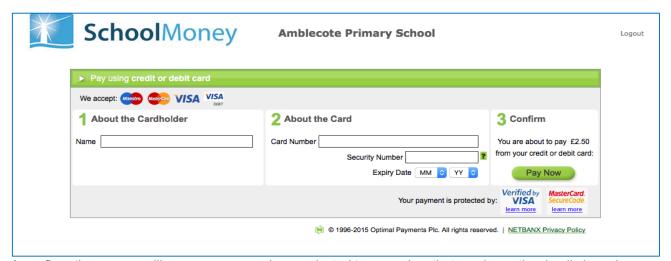

Breakfast & After School Club payments will be available at the end of each week

To pay for an item in payments due:

- Find the item/instalment you would like to pay for from the left hand side of the screen.
- Select the tick box next to the instalment. This will add it to the total at the bottom. If payments are highlighted in green, click into the green box and over type the amount you wish to pay. This means that you can pay off this amount in smaller chunks up until the due date when you will need to have paid it off in full.
- Click on 'make payment' in the bottom right hand corner when you are ready.

Once you have selected 'make payment,' the system will take you a screen where you can input your card details. You will have to do this every time that you want to make a payment due to security on the system. **We do not store debit/credit card details.**

A confirmation pop up will appear once you have selected 'pay now' so that you know the details have been processed and you will receive an email receipt shortly afterwards.

History

You will be able to see the 'history' tab on the top right hand side of the screen. This tab gives you an overview of your child's history on the **SchoolMoney** system.

When you first click on 'history,' you will be sent to the 'transaction history.' This gives you a breakdown of any payments you have made to the school, whether that be by debit/credit card or by cash/cheque within the school.
