Thursday 24th May

Dear Parent/Carer,

We're here to help you keep your child safe online

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have frequent conversations with their children about their online lives.

Our free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a **free online safety workshop**, held in school on **Tuesday 5th June at 2pm**. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you." – Parent who attended the workshop

In preparation for this event, please indicate on the reply slip below if you will be attending this online safety workshop and return to your child's class teacher.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit our [NSPCC](#) and [O2 NSPCC website pages](#),
- Call our free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**

Many thanks,

Mrs H Foster
