Dear Parents/ Carers,

KS2 Eco Club

I will be running an Eco club to help children gain a better understanding of environmental and global issues. Topics will include:

- Litter/plastic pollution
- Energy- switching off and saving energy
- School Grounds- gardening (growing our own fruit and vegetables)
- Waste- recycling
- Biodiversity- bug hunting, bird watching, making bird feeders and
- Forest school activities

We will hear from outside speakers and go on a visit to the allotments later in the year. (More details nearer the time). The club will run from 3:15pm-4:30pm, at the cost of £2 per week to cover refreshments and equipment. Please collect your child from the school reception at 4.30pm.

The club will start on Monday 21st January and run for eight weeks. If your child is interested please return the slip below to Mrs Price. Thank you for your continued support.

Yours sincerely,

Mrs A. Price
