No Smoking Policy

The School recognises the health hazards of smoking for smokers and non-smokers and acknowledges the rights of staff, children, parents and carers to work or play in a smoke free environment. Consequently, it has adopted a “No Smoking Policy” as follows:

- Smoking is not allowed anywhere on the school premises. This applies to everyone including staff, volunteers, students, visitors, parents and carers.
- The objective of the ‘No Smoking Policy’ is to establish a healthy environment for all children, staff, volunteers, students, visitors, parents and carers; its success depends upon the consideration and co-operation of both smokers and non-smokers. All staff, students, visitors, parents and carers are expected to respect the statement.
- Violations of the ‘No Smoking Policy’ should be reported to senior management.
- A copy of this policy is placed on the website and in the noticeboard and is available to all staff, volunteers, students, visitors, parents and carers.

Thank you for your co-operation and support for the benefit of our children.
