Wednesday 10<sup>th</sup> March 2020

Dear Parents / Carers,

This week in school there has been a number of cases of head lice reported. Anyone can get head lice, mainly through direct head-to-head contact, but also from sharing hats, brushes and other personal items.

Head lice are a problem in many communities and do not reflect poor hygiene. Please do your part to prevent the spread of this condition by checking your child(ren) daily and treating everyone in the household accordingly. Lice infestation is much easier to treat if caught early.

Thank you for your co-operation with this matter.

Mrs Cook  
Acting Head teacher
