

RISK ASSESSMENT FOR:	COVID 19 – Risk assessment for reopening of school To be read in conjunction with the COVID 19 – Workplace risk assessment	
Establishment: Amblecote Primary School	Assessment by: Jane Cook, Kate Price and Senior Leadership Team	Date: 19 May 2020
1st Review Date Due: Annual review or before as needed	Manager Approval: Agreed with Mike Morton – Corporate Health and Safety	Date: 19 May 2020

What are the hazards?	Who might be harmed	Controls Required	Additional Controls	Action by who?	Action by when?	Done
Negative or irresponsible behaviour in relation to COVID19 requirements	Staff Visitors Contractors Children Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions	Covid Behaviour addendum to be shared with staff. https://www.gov.uk/government/publications/preparing-for-the-wider-opening-of-schools-from-1-june/planning-guide-for-primary-schools#annex-a-behaviour-principles	Any revised rules will need to be referenced in the Covid Behaviour addendum. Communicate these changes to staff, pupils and parents. Proactively teach new rules to staff, pupils and parents. Regularly and rigorously reinforce behaviour throughout every day. Consistently impose sanctions when rules are broken, in line with the policy, as well as positively reinforcing well-executed rules through encouragement and rewards.	SLT SLT SLT All staff SLT and Teaching Staff	Mon 18 May 2020 Staff meeting and emails - Weds 20 May 2020 Pupils – on return to school Ongoing Ongoing	

		<p>Prepare guidance for staff (see a model in annex b) and ensure all staff are trained in the new rules and routines, including the use of sanctions and rewards, so that they can support pupils to understand them and enforce them consistently.</p> <p>https://www.gov.uk/government/publications/preparing-for-the-wider-opening-of-schools-from-1-june/planning-guide-for-primary-schools#annex-b-principles-for-staff</p>	<p>All staff to read guidance and complete the following training: https://www.virtual-college.co.uk/courses//prevent-covid-19-free-training</p>	SLT	<p>Course emailed to all staff Thurs 13 May 2020</p> <p>Guidance to be completed Mon 18 May 2020</p>	
		<p>Display the posters in annex c, to educate children on appropriate behaviours.</p> <p>https://www.gov.uk/government/publications/preparing-for-the-wider-opening-of-schools-from-1-june/planning-guide-for-primary-schools#annex-c-posters</p>	<p>Posters to be displayed around school</p>	Site Manager	<p>Thurs 21 May 2020</p>	
		<p>Provide regular communication to staff and parents and explain clearly why decisions have been made linking current guidance to the communications being sent.</p>	<p>Parent surveys to be sent out to ascertain number of potential students that would attend. Parents signposted to guidance to inform their choice and encourage to email info@amblecote.dudley.sch.uk with any queries or concerns.</p>	SLT Office Team	<p>Responses due Fri 15 May 2020</p>	
			<p>Staff email to be sent out communication information about the school reopening and enable the SLT to act on any concerns staff may have.</p>	SLT	<p>W/C 10 May 2020</p>	

<p>Higher risk of exposure to COVID19 from Keyworker children on site – increase in numbers including staff’s children</p>	<p>Staff Visitors Children Contractors Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions</p>	<p>In terms of key workers and vulnerable children we are encouraging all eligible children to attend – it is no longer necessary for parents of eligible children to keep them at home if they can. (This will significantly raise the number of children currently in school)</p>	<p>Ensure key worker definitions are strictly adhered to:</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision</p> <p>Children who fall outside of R, Y1 and Y6 will only be provided a place in school if 1 of their parents is a key worker and can provide evidence of this.</p>	<p>SLT</p>	<p>Ongoing from 20 March 2020</p>	
<p>Not enough staff to open the school safely</p>	<p>Staff Visitors Children Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions</p>	<p>Ensure the school can be adequately and safely staffed when it reopens.</p>	<p>Find out which members of staff are able to work and produce a staffing plan going forward (using senior leaders, SENDCO, HLTAs and TAs to take groups where needed). Supply teachers used as a last resort.</p> <p>Audit the whole staff to ascertain who will be available to be in school from the week commencing 1 June.</p> <p>Ensure staff are aware that they may need to work with different groups of children than usual.</p> <p>What to consider when working out staff ratios</p> <ol style="list-style-type: none"> 1.How many staff do you have available to work in school? 2.How many teachers do you have available to work in school? 3.How many support staff including teaching assistants do you have available for work in school? 	<p>SLT</p>	<p>Ongoing from 20 March 2020</p>	

			<p>4. Do you have a head or deputy available for work in school?</p> <p>5. Do you have at least one person with paediatric first aid training available for work in school?</p> <p>6. Do you have at least one person with up to date Designated Safeguarding Lead (DSL) training available to work in school?</p> <p>7. Do you have your special educational needs coordinator available for work, or an alternative staff member who could take on this role?</p> <p>8. Do you have a caretaker and/or cleaning staff, and at least one office staff member available during the school day?</p> <p>If the answer to questions 4, 5, 6, 7 or 8 is no, try to find a solution to this.</p> <p>Initially speak to staff members who may be prepared to undertake a different role to their normal role temporarily. In all settings, support staff may be drawn on to take groups under the direction of a teacher to cover absence as per the government guidance.</p> <p>Alternatively, speak to the local authority who may be able to provide a suitable person temporarily to cover 5, 6, 7 or 8.</p> <p>Keep staffing arrangements as consistent as possible. In instances where we need to use staff from other schools, ensure cover is agreed on a weekly basis, not daily, to limit contact.</p>			
--	--	--	--	--	--	--

			<p>Consider short term sickness absence cover required including the possible approaches to managing a shortfall in staffing.</p> <p><u>These will include:</u></p> <p>Bringing additional teachers in to help, who may be supply teachers, teachers on temporary agreed loan from other schools, or teachers provided by the local authority however consider the government guidance about consistent staffing across the week.</p> <p>Asking suitably experienced teaching assistants to work with groups under the supervision of a teacher.</p> <p>If we still cannot get enough cover in place and an arrangement which enables eligible children to attend consistently at another local school is not manageable, schools should focus first on continuing to provide places for priority groups of all year groups (children of critical workers and vulnerable children).</p> <p>Following this, to support children's early learning, we would prioritise groups of children following government guidance which for Primary schools is Reception and Year 1.</p> <p>School will not plan on the basis of a rota system, either daily or weekly following government guidance.</p>			
--	--	--	--	--	--	--

<p>Increased risk for members of staff or Governors with underlying health issues or those that are classed as a primary carer</p>	<p>Employees Governors</p>	<p>Ascertain the health needs of individuals and clarify if they are in one of the following categories:</p> <p>Clinically Extremely Vulnerable Clinically Vulnerable</p> <p>The guidance on implementing protective measures in education and childcare settings contains information about clinically vulnerable and clinically extremely vulnerable adults.</p> <p><u>Clinically Extremely Vulnerable</u></p> <p>Clinically extremely vulnerable individuals are advised not to work outside the home. The government are strongly advising people, including education staff, who are clinically extremely vulnerable (those with serious underlying health conditions which put them at very high risk of severe illness from coronavirus and have been advised by their clinician or through a letter) to rigorously follow shielding measures in order to keep themselves safe. Staff in this position are advised not to attend work. Read guidance on shielding and protecting people defined on medical grounds as extremely vulnerable for more advice.</p> <p>If a staff member lives in a household with someone who is clinically extremely vulnerable, as set out in the guidance on shielding and protecting people defined on medical grounds as extremely vulnerable, it is advised they only attend work if stringent social distancing can be adhered to. If stringent social distancing cannot be adhered to, we do not expect those individuals to attend. They should be supported to work at</p>	<p>Staff to notify the head teacher and their line manager if they are in the Clinically Extremely Vulnerable or Clinically Vulnerable groups.</p> <p>SLT to hold discussions with staff who are deemed more vulnerable to infection and provide individual risk assessments to ascertain what work they are able to do.</p> <p>The staffing picture may change so staff will be contacted on a regular basis to ensure the school holds an up to date audit of staff health issues.</p> <p>Staff are required to update a member of SLT immediately if their situation changes.</p> <p>Decisions regarding staffing will be based on the most recent staff availability audit.</p> <p>Guidance and reassurance to be provided to employees who have family members who are shielding.</p> <p>Workload will be carefully managed, and school will assess how staff who are having to stay at home due to health conditions are able to support remote education and business needs of the school, so those in school can focus on face-to-face provision.</p>	<p>SLT</p>	<p>Ongoing from Fri 20 March 2020</p>	
--	--------------------------------	---	---	------------	---------------------------------------	--

		<p>home.</p> <p><u>Clinically Vulnerable</u></p> <p>Clinically vulnerable individuals who are at higher risk of severe illness (for example, people with some pre-existing conditions as set out in the staying at home and away from others (social distancing) guidance) have been advised to take extra care in observing social distancing and should work from home where possible. This includes pregnant women.</p> <p>Education and childcare settings should endeavour to support this, for example by asking staff to support remote education, carry out lesson planning or other roles which can be done from home.</p> <p>If clinically vulnerable (but not clinically extremely vulnerable) individuals cannot work from home, they should be offered the safest available on-site roles, staying 2 metres away from others wherever possible, although the individual may choose to take on a role that does not allow for this distance if they prefer to do so. If they must spend time within 2 metres of other people, settings must carefully assess and discuss with them whether this involves an acceptable level of risk.</p> <p>If a member of staff lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), which includes those who are pregnant, they can attend work.</p>	<p>Staff that have been providing face to face remote learning will continue to do this on a more regular basis from school.</p> <p>E.g. staff supporting where needed the older children who have more of an understanding of social distancing.</p>			
--	--	--	---	--	--	--

<p>Increased risk for children or families with underlying health issues</p>	<p>Children Parents</p>	<p>Children, young people and staff who have been classed as clinically extremely vulnerable due to pre-existing medical conditions should not attend school.</p> <p>If a child/young person or staff member lives in a household with someone who is extremely clinically vulnerable they can only attend if stringent social distancing can be adhered to. If stringent social distancing cannot be adhered to, we do not expect those individuals to attend. They should be supported to learn or work at home.</p> <p>A child/young person or a member of staff who lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, can attend their education or childcare setting;</p>	<p>Parents to be contacted via parent hub to and asked to contact school if child is shielding.</p> <p>Ultimately it is the parents as to whether their child attends school.</p> <p>Staff will liaise with the parents of pupils who are deemed more vulnerable to infection and discuss any alternative arrangements, where required.</p> <p>Children who are required to stay at home should be provided with the relevant home learning.</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources</p>	<p>SLT Office Team</p> <p>SENDCO's</p> <p>SENDCO's Class Teacher</p>	<p>Fri 15 May 2020</p> <p>Mon 18 May 2020</p> <p>Ongoing since 20 March 2020</p>	
<p>Not enough teaching spaces to be able to follow government guidelines and accommodate children safely in reduced class sizes</p>	<p>Staff Visitors Children Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions</p>	<p>To reduce transmission small, consistent group and class sizes are required. For primary schools, classes should normally be split in half, with no more than 15 pupils per small group (but smaller where possible) and up to 3 adults, one being a teacher linked to that group.</p>	<p>Liaise with parents to ascertain how many children are likely to be attending school</p> <p>Parent Hub survey sent out, all maybes followed up with a phone call.</p> <p>Communication via parent hub to parents stating that once numbers are confirmed for the 1st June, additional children will not be accepted until the following week by prior arrangement.</p> <p>Ascertain the maximum safe group size -</p>	<p>SLT Office Staff</p> <p>SLT Site Manager Class Teachers Support Staff</p>	<p>Weds 13 May 2020 Deadline Fri 15 May 2020</p> <p>Mon 18 May 2020</p>	

		<p>Guidance must be consulted on which children should be attending e.g. keyworker children, specific year groups* EYFS cohorts, Reception class, Year 1, and Year 6 initially.</p> <p>After schools have opened to the groups outlined above* the guidance states:</p> <p>When the most up to date assessment of the risk posed by the virus indicates that it is appropriate to do so, we will ask more primary year groups to return to school, and issue revised guidance.</p>	<p>determine your half class groups (maximum size of 15 but we will endeavour to make them as small as possible), taking into account any limitations of the school buildings and outdoor space (see implementing protective measures in education and childcare settings for more details)</p> <p>Compulsory age pupils settled first. EYFS Cohorts e.g. T4T and Pre School to consider introducing from 15th June.</p> <p>Survey to be sent out to Pre-school parents re attending school. EYFS Cohort who are due to start school in September are prioritised where possible.</p> <p>Include children of critical workers and vulnerable children who are in reception, year 1 or 6 in groups of 15 within their year group.</p> <p>Determine small groups (maximum size of 15) for children of critical workers and vulnerable children not in reception or years 1 and 6. These will be a separate group.</p> <p>Assume that the staffing model will be one teacher per group (or 2 teachers sharing the week with our existing job shares).</p> <p>Communicate the requirement to teaching staff that qualified teachers are qualified to teach any primary year group, including early years foundation stage (EYFS) however we will endeavour to keep them, in the Key Stage they are familiar with.</p> <p>Communication needs to be sent to</p>			
--	--	---	---	--	--	--

			<p>teaching assistants to advise that if there are any shortages of teachers then teaching assistants can be allocated to lead a group, working under the direction of a teacher.</p> <p>LA to assist in facilitating places where maximum class size is not possible.</p> <p>Inform staff as to which rooms/entrance and exit points are to be opened.</p> <p>Complete a room plan for each of the rooms and entrance and exit points that will be open once the school is open for children and staff.</p> <p>Discuss what resources will be needed in each area (and what needs to be removed).</p> <p>Consider spaces for pupils and staff to store belongings such as bags etc</p> <p>Staff to store belongings in stock rooms/cupboards. Pupils only need to bring lunchbox and water bottle, coat and snack. Pupils items will be stored at their workstation.</p> <p>Remove unnecessary items from classrooms and other learning environments where there is space to store it elsewhere.</p> <p>Remove soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts).</p> <p>Display information posters for parents/carers/visitors in all used areas. Prepare classroom spaces for learning.</p>			
--	--	--	--	--	--	--

			Desks should be spaced as far apart as possible.			
Unable to meet social distancing requirements	Staff Visitors Contractors Children Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions	<p>Government guidance must be followed in relation to social distancing in schools and the government acknowledge this is not always possible.</p> <p>Children cannot be expected to remain 2m apart from each other and staff.</p> <p>There is a hierarchy of measures: Avoiding contact with anyone with symptoms Frequent hand cleaning and good hygiene practices Regular cleaning of settings Minimising contact and mixing Children, and staff should mix in a small group and keep that small group away from other people and groups.</p> <p>The following will be taken into consideration when reviewing social distancing:</p> <ul style="list-style-type: none"> • Lessons • Outdoor space • Stagger breaktimes • Stagger lunchtimes • One-way system around schools • Use doors to outside when possible • Allocated toilets per group with time slots where possible, • Arrangements for drop off and pick up times • Children to have own pencil cases – from home or school can provide? • Each group to have its own set of outdoor equipment. Or cleaned each day? Both? 	<p>School to review the latest guidance on a regular basis.</p> <p>The SLT will identify how social distancing measures are to be observed at evacuation points and communicates this to all staff, volunteers and pupils. The site manager arranges for any changes to the premises to be made to account for social distancing measures</p> <p><u>Office Space</u></p> <ul style="list-style-type: none"> • Start and end times for administrative staff are staggered to support social distancing • Tissues/hand sanitiser to be available in office locations • Staff to wash hands on arrival at school • Each individual is responsible for wiping down their own work area before and after use. • As a result, office practice in office spaces limits the risk of the spread of any infection. • Additional risk assessment of office working will be provided. <p><u>Lessons and classroom space</u></p> <p>School will minimise contact and mixing by altering, as much as possible, the environment (such as classroom layout) and timetables (such as staggered opening, closing, lunch and break times).</p>	SLT	Ongoing from 20 March 2020	

		<ul style="list-style-type: none"> • Guidance for staff • Planning low risk activities that do not require feedback or marking to allow staff to leave promptly. 	<p>Staff will need to explicitly teach and supervise health and hygiene arrangements such as handwashing, tissue disposal and toilet flushing. Teachers will promote good respiratory hygiene - promoting the 'catch it, bin it, kill it' approach. All of these key teaching points will be addressed morning and afternoon via powerpoint.</p> <p>14 rooms in school can be used for pupil groups all classrooms, plus hall, intervention room, Pre School and mobile.</p> <p>The staff to child ratios within Early Years Foundation Stage continue to apply, and we recommend using these to group children.</p> <p>Class sizes for mainstream: The basic principle is that classes should be halved (15 per class).</p> <p>Where we can keep children and young people in small groups 2m away from each other, this will be done as far as reasonably practicable but cannot be guaranteed.</p> <p><u>Outdoor space</u></p> <p>The access to site will be improved by making a one way system on the paths and driveway around school. A line will be drawn down the middle of the path to separate the paths with arrows to point one way directions for each side of the line. On the driveway a hatched section of 2 meters will be drawn in the middle if this is feasible. Mike Morton will support SBM with plans for this and then Site Manager will need to liaise with the LA highways team to undertake the works required.</p>			
--	--	--	--	--	--	--

			<p>Playground - guided physical activities on spot so reduce the potential of children bumping into each other.</p> <p><u>Stagger breaktimes</u></p> <p>As per school plan below.</p> <p><u>Stagger lunchtimes</u></p> <p>As per school plan below.</p> <p><u>Movement around school</u></p> <p>The barriers outside the KS1 classrooms, will be used to distance parents/pupils as needed.</p> <p>Posters reminding about social distancing etiquette to be displayed in all classrooms, on windows and gates.</p> <p>In and out signs on hall doors and markings on main school corridor to guide direction and help maintain social distancing.</p> <p><u>Use doors to outside when possible</u></p> <p>Groups will be given specific entry and exit points to school.</p> <p><u>Visitors in School</u></p> <p>Marker in the office half way between door and office screen. Window to remain closed when parents coming into school. Minimise external agencies in school where possible Encourage parents to make contact by phone or email if possible – reduce face to</p>			
--	--	--	---	--	--	--

			<p>face contact.</p> <p><u>Signing in</u></p> <p>Antibac next to book for signing in/out. Staff have option to bring their own pen. Staff to sign in/out for visitors/parents where possible following verbal conversation.</p> <p><u>Accident Reporting Process</u></p> <p>Rec staff will verbally inform parents if First Aid treatment has been administered. Staff will countersign the book. Other year groups accident book will be filled in by the member of staff who administer the first aid. Any more significant incidents e.g. head bumps or toilet incidents will be communicated to the parents by phone.</p> <p><u>Supervised Use of Toilets to ensure social distancing.</u></p> <p>Encourage cleaning hands more often than usual - wash hands thoroughly for 20 seconds with running water and soap and dry them thoroughly or use alcohol hand rub or sanitiser ensuring that all parts of the hands are covered. One in, one out for toileting. Reception classes use set of toilets each. Year 1 use KS1. Year 6 use KS2.</p> <p><u>Arrangements for drop off and pick up times</u></p> <p>Only one parent to drop off / collect children.</p> <p><u>Children to have own pencil cases – school to provide these.</u></p> <p><u>Each group to have its own set of</u></p>			
--	--	--	--	--	--	--

			<p><u>resources. Cleaned each day where possible.</u></p> <p><u>Guidance for staff on communal areas of school</u></p> <p>Advise staff contact such as passing in a corridor is low risk. Main corridor arrows support movement.</p> <p>Advise staff the use of communal areas, e.g. the staff room, is limited to avoid unnecessary group gatherings – staggered times, queues, or rotas will be implemented where required.</p> <p>Use of hall as a ‘Staff Hub’ where they will be able to base themselves and work following social distance guidance.</p> <p><u>Assessing activities in school</u></p> <p>Low risk activities that do not require feedback or marking will be planned to allow staff to leave promptly.</p> <p>Where pupils, or staff cannot follow social distancing arrangements for an activity, the SLT will assess whether the activity is able to continue – mitigating actions will be put in place if continuing the activity is essential.</p> <p>To avoid unnecessary personnel being on site, volunteers will not be in school until further notice. SLT to notify the relevant persons.</p> <p>To avoid unnecessary personnel being on site Lettings will not be carried out on the school premise until further notice. SLT to</p>			
--	--	--	--	--	--	--

			<p>notify the relevant companies regarding this.</p> <p>PPE PPE – to be available to any member of staff that has requested it. A selection of PPE equipment will be available in each room that has children. Currently available 65 visors 15 washable masks Gloves Aprons</p> <p>If staff choose to do so they can wear a face covering/aprons/gloves when in an enclosed space where social distancing isn't possible, or when they will encounter people they do not normally meet.</p> <p>Face coverings should not be used by children under the age of 2 or those who may find it difficult to manage them correctly. For example, primary age children unassisted, or those with respiratory conditions. Staff will make a judgement on arrival to school as to whether the child's face covering is appropriate. For example a scarfs would not be appropriate in the classroom as they may present a strangulation issue but a well fitted clinical mask would be accepted if a parent insisted.</p>			
Unable to ensure safe reopening for all required year groups on 1 June	Staff Visitors Contractors Children Vulnerable groups – Elderly,	Suggested staggered start for return of children as follows: 1 st June INSET for staff to prepare plus keyworker children attendance as needed. 2 nd June Year 6 – 9.05am	<p><u>Communications that must be completed prior to reopening</u></p> <p>The headteacher will liaise with the LA about reopening the school and includes any local guidance into the reopening action plan, where</p>	SLT Teachers Support Staff Site and Cleaning Staff	Mon 18 May 2020

<p>Not enough supplies to meet the needs of the school including the provision of PPE</p>	<p>Staff Visitors Contractors Children Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions</p>	<p>Reiterate latest guidance to staff:</p> <p>Wearing a face covering or face mask in schools or other education settings is not recommended.</p> <p>Schools and other education or childcare settings should therefore not require staff, children and learners to wear face coverings.</p> <p>PPE is only needed in a very small number of cases including those whose care routinely already involves the use of PPE due to their intimate care needs. These pupils should continue to receive their care in the same way.</p> <p>School stock supplies should be assessed regularly, and orders made as needed.</p>	<p>Site Manager and cleaners will ensure Infection control stations are set up, where necessary, providing soap and water, bins and alcohol-based hand sanitiser.</p> <p>Site Manager will liaise with office team and ensure adequate amounts of soap and tissues are ordered and available in the relevant areas.</p> <p>First Aid Supplies will be checked by TA's and additional orders raised as necessary.</p> <p>Basic first aid kit to be kept in each classroom. Reception to have toilet changing equipment to hand. PPE for intimate care / essential first aid will be ordered.</p> <p>Site Manager to ensure school has enough cleaning goods and equipment and liaise with Client and Catering area cleaning manager if further goods are needed.</p>	<p>SLT to oversee and allocate workload to staff as mentioned</p>	<p>Fri 15 May 2020 and ongoing</p>	

			<p>Teaching Stationery and Materials to be assessed by phased leaders and ordered through office team as needed.</p> <p>Further signage to be purchased as needed https://www.ukpos.com/social-distancing-and-hygiene?utm_medium=email&utm_source=promotion&utm_campaign=11_05_20&utm_source=UK+Point+Of+Sale+Mailing+List&utm_campaign=e498c5cfc9-11_05_20_importantmessages_engagedhigh&utm_medium=email&utm_term=0_b4827f6b09-e498c5cfc9-277238881&mc_cid=e498c5cfc9&mc_eid=ca8e5385e9</p> <p>Further contact for social distancing stickers and screens: If you are interested, the company is called Spencer Signs based in Halesowen.</p> <p>Contact Reiss Digby on 07535512756</p> <p>The SBM will conduct a review of all supplier arrangements to ensure they are appropriate for the school reopening to more pupils.</p> <p>School will use local supply chains to obtain PPE. Where this is not possible, and there is unmet urgent need for PPE in order to operate safely, school will approach their Local Authority or alternatively may approach the nearest local resilience forum. Local resilience forums plan and prepare for localised incidents and catastrophic emergencies. They work to identify potential risks and produce emergency plans</p>			
--	--	--	--	--	--	--

		<p>speaking and listening and regaining momentum with early reading.</p> <p>Each school context will vary, and needs are likely to be greatest where children have not been able to access remote education consistently. Children who have had limited opportunities for exercise should be encouraged to exert themselves physically, making use of supervised non-touch running games within their group. Youth Sport Trust are also offering some support to schools.</p> <p>For younger children, the resources made available for child-initiated learning should be carefully considered. For example, malleable resources, such as play dough, should not be shared and consideration should be given to their safe use, depending on circumstances.</p> <p>Resources for activities such as painting, sticking, cutting, small world play, indoor and outdoor construction activities should be washed before and after use (more detailed guidance on this will be included in the guide for early years providers) and where possible, children should be discouraged from sharing these.</p> <p>Children should be taught to wash their hands frequently, but particularly after using wheeled bikes, trikes and other large, movable toys. Children should be encouraged where possible not to touch their faces or to put objects in their mouths. Sharing stories, singing and playing outdoor games will help all children to socialise and resettle into</p>	<p>adjustments may be needed to the school curriculum over the coming weeks</p> <p>Teachers will identify and SENDCOs will support and help plan how best to support the education of high needs groups, including disadvantaged pupils, and SEND and vulnerable pupils</p> <p>Teachers will support pupils in Year 6, who will need both their primary and secondary schools to work together to support their upcoming transition to Year 7. Teachers to contact feeder schools Organise visits or provide communication opportunities for the pupils/staff.</p> <p>Schools should use best endeavours to support pupils attending school as well as those remaining at home, making use of the available remote education support e.g. continue with weekly home learning overviews or printed resources if required. No homework or reading books will be sent home to be brought back in to school.</p> <p>No school will be penalised if they are unable to offer a broad and balanced curriculum to their pupils during this period.</p> <p>The office Manager will ensure enough ICT devices, e.g. computers and laptops, are available to all pupils/staff when the school reopens, where required.</p> <p>The SENDCOs will liaise with the relevant personnel to ensure adequate provision is in place for all pupils to be able to work effectively in school, e.g. learning</p>	<p>Class teachers</p> <p>Class teachers SENDCOs</p> <p>Class teachers Office team to support</p> <p>TA Staff Shielding to assist in this.</p> <p>Office Manager & ICT Teacher leads</p>	<p>Mon 18 May 2020 Onwards</p> <p>Mon 18 May 2020 Onwards</p>

Issues with ability to provide school meals (including FSM)	Staff Children Vulnerable groups	<p>School will consider working with our catering supplier and kitchen staff on arrangements for lunchtime.</p> <p>The guidance states:</p>	Children who are entitled to FSM will still receive a voucher and therefore will be required to bring in a packed lunch and snacks (as tuck will not be made available from the kitchen). A refillable water bottle will be needed. Universal free school meal	SLT Kitchen	Mon 18 May 2020	

		<p>Children in reception and year 1 should have the option of a free meal under the universal infant free school meals policy. Meals should be available for all pupils in school, and these should also be free of charge for pupils that qualify for benefits-related free school meals. With the kitchen staff, we will need to consider how meals will be prepared and served safely. Plans will need to be in place to ensure food supplies are in place for when children return.</p> <p>There will be a need to work out arrangements for lunch (and any 'snack' times for early years) so that children do not mix with children from other groups – this could mean having several lunch sittings or serving lunch in more than one location, including if appropriate in a classroom, or asking your caterers to look at other flexible ways of giving pupils access to lunch such that it can be eaten in the small group setting (for example taking cold or 'packed' lunches to children in the areas they are in for the day).</p>	<p>children will be asked if they want a grab bag provided by school or bringing a packed lunch.</p> <p>Year 6 who are not in receipt of FSM to bring packed lunch.</p> <p>Staff to bring own lunch.</p> <p>School kitchens will be deep cleaned and re-open and need ascertained on a weekly basis with only a grab bag option being made available initially.</p> <p>The provision of food vouchers for those eligible under the benefits criteria will also continue to be available where needed for those not attending. So this will need to be assessed.</p> <p>Potentially in the future to offer grab bags for benefit related free school meal pupils not in school when voucher system ends. Now that schools are opening more widely, school catering teams will be better placed to do this.</p> <p>Update parents as necessary. Contact Fruit provider for update. Contact Milk provider for update.</p>			
Vulnerable families and SEND children being at risk	Staff Visitors Contractors Children Vulnerable groups – Elderly, Pregnant workers, those with existing	<p>The government guidance for vulnerable families and SEND will need to be followed.</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-vulnerable-children-and-young-people/coronavirus-covid-19-guidance-on-vulnerable-children-and-young-people#attendance-expectations-and-encouraging-attendance</p>	<p>The DSLs will identify pupils with additional needs and put provision in place to ensure their needs are adequately and safely met, e.g. the relevant staff are available.</p> <p>Vulnerable children of all year groups continue to be expected and encouraged to attend educational provision where it is appropriate for them to do so (for children</p>	SLT SENDCOs	Mon 18 May 2020	

	<p>underlying health conditions</p>	<p>A support package for families who are vulnerable will be put in place in order to help them transition back to school.</p> <p>We have published guidance on conducting a SEND risk assessment during the coronavirus outbreak – this will be reviewed ahead of 1 June.</p> <p>SLT will also be aware that there may be additional pupils, including those with SEND, who display symptoms of stress or anxiety and additional support may be needed for them. Schools should check with local authorities on their capacity to support with this.</p>	<p>with education health and care (EHC) plans this will be informed by a risk assessment approach).</p> <p>Regular telephone contact with our families who are not attending schools will be maintained by DSLs.</p> <p>External support for SEND and behaviour where necessary.</p> <p>Schools normally works with external agencies to support pupils with special educational needs and disability (SEND) or with behaviour or other issues.</p> <p>SENDCO's will check with local authorities and other providers of such support services to ascertain whether or when such services will be available.</p> <p>For pupils with education health and care (EHC) plans, it may not be possible to provide the full range of provision set out in the plan, and it may be necessary to make different arrangements if some of the support services are not available in their usual form from the start of June. If this is the case SENDCOs will work with the local authority and parents and confirm what special provision can reasonably be provided.</p> <p>The DSLs will liaise with the necessary personnel and parents to manage and address any new and ongoing safeguarding concerns relating to the temporary closure and/or school reopening, e.g. ongoing bullying.</p> <p>The DSLs will ensure that adequate</p>

		<p>Staff and pupil bereavement are managed in line with the <u>Bereavement Policy</u>.</p> <p>EHC pupils should attend if appropriate to do so following risk assessment:</p> <p>School may need to carry out a risk assessment, if it is deemed that a child or young person may not be able to follow instructions, to determine what mitigations need to be put in place and whether, in rare circumstances, they should stay at home. For those children and young people with a social worker, the government expectation is that they should attend their educational setting unless a risk assessment concludes they will be safer at home.</p>	<p>pastoral care is in place to support pupils and staff who require it.</p> <p>The DSL will ensure the relevant staff have the appropriate training to support pupils and staff who require pastoral care</p> <p>DSLs to ensure that all Secondary schools receive the relevant historical safeguarding information about their future year 7 pupils. Appropriate forms will be completed.</p> <p>School will update the Bereavement Policy in school and inform all stakeholders.</p> <p>Make staff aware of the Bereavement box.</p> <p>For children who have a social worker, attendance is expected unless their social worker decides that they are at less risk at home or in their placement. DSL to speak directly with social workers and families to ascertain this.</p> <p>SENDCO's to lead on individual plans for children and consider individual risk assessments for EHCP children to consider if safe to attend site with the support of the SBM. SENDCOs will typically lead on ensuring that they have access to materials they can use to learn.</p>			
Child/Adult is unwell, and it is believed that they have been exposed to COVID-19.	Staff Visitors Contractors Children Vulnerable	Staff, pupils and volunteers who display symptoms of coronavirus (COVID-19) are managed in line with local and national guidance and must be sent home as soon as possible.	<p>Ensure that there is access to a First Aid area away from the learning spaces (Medical Room)</p> <p>Basic 1st Aid where possible will be</p>	SLT All Staff Office Staff Support	Ongoing since 20 March 2020	

	groups – Elderly, Pregnant workers, those with existing underlying health conditions	<p>The school keeps up to date with advice issued by, but not limited to, the following:</p> <ul style="list-style-type: none"> - DfE - NHS - Department of Health and Social Care - PHE - The school's local health protection team (HPT) 	<p>administered in the classroom. Any 1st aid required due to outside activities or more serious i.e. nose bleeds, children to be taken to the first aid room in a safe manner.</p> <p>Advise children, young people, parents, carers or any visitors, such as suppliers, not to enter the education or childcare setting if they are displaying any symptoms of coronavirus.</p> <p>Staff will be responsible for informing SLT if they are unwell / become unwell and will also be required to advise SLT if they have been tested for COVID19.</p> <p>Check that the First Aid area is easily accessible and adequately stocked. Order stock if needed.</p> <p>All staff are made aware of any infection control procedures and social distancing arrangements for when the school reopens via email.</p> <p>All pupils and parents are made aware of any infection control procedures and social distancing arrangements for when the school reopens via letter / parent hub.</p>	Staff		
A case of COVID-19 (pupil or school adult) is suspected	Staff Visitors Contractors Children Vulnerable groups – Elderly, Pregnant workers, those with existing	Staff will receive training and guidance on how to manage suspected COVID19.	<p>Where reasonably practicable staff should minimise contact with individuals who are unwell and ensure that those who have coronavirus symptoms, or who have someone in their household who does, do not attend settings.</p> <p>If a child becomes unwell with symptoms of coronavirus while in school and needs direct personal care until they can return home, the process that should be followed</p>	SLT All Staff Office Staff Support Staff	Ongoing since 20 March 2020	

	underlying health conditions		<p>will include:</p> <ul style="list-style-type: none"> • A face mask/visor being provided which should be worn by the supervising adult if a distance of 2 metres cannot be maintained or if the supervising adult so wishes. • If contact with an unwell child is necessary, then gloves, an apron and a face mask/visor should be worn by the supervising adult. • If the individuals risk assessment of the situation determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn. <p>If anyone becomes unwell with a new, continuous cough or a high temperature in school, they must be sent home immediately</p> <p>If a child is awaiting collection, they should be moved, if possible, to the meeting room/stock room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. If whilst waiting to be collected the child needs to go to the toilet, they should use toilet which will then be deep cleaned. Ensure adults in the area know which toilet has been closed off.</p> <p>If a member of staff has helped someone who was unwell with a new, continuous cough or a high temperature, they do not need to go home unless they develop symptoms themselves.</p> <p>All staff and students who are attending school will have access to a test if they</p>

Reopening schools to more pupils will be very challenging, especially in terms of implementing social distancing and ensuring staff members can conduct their roles effectively where there is limited PPE available. This risk assessment will be kept updated in line with any new guidance or changes to current advice.

DATE OF REVIEW: <i>Record actual date of review</i> Annual or before as needed	COMMENTS: <i>Record any comments reviewer wishes to make. Including recommendations for future reviews</i> Will be regularly reviewed and amended as needed considering COVID19 outbreak

RESIDUAL RISK RATING	ACTION REQUIRED
VERY HIGH (VH) Strong likelihood of fatality / serious injury occurring	The activity must not take place at all. You must identify further controls to reduce the risk rating.
HIGH (H) Possibility of fatality/serious injury occurring	You must identify further controls to reduce the risk rating. Seek further advice, e.g. from your H&S Team
MEDIUM (M) Possibility of significant injury or over 3-day absence occurring	If it is not possible to lower risk further, you will need to consider the risk against the benefit. Monitor risk assessments at this rating more regularly and closely.
LOW (L) Possibility of minor injury only	No further action required.
