

Get involved with Dudley's Local Offer

We love parents, carers and young people to get involved with our Local Offer, which we have developed with them collaboratively. We want to make sure that it is meeting people's needs and is the ideal one stop shop. We need your help with reviewing content, suggesting any gaps in information, or any additions needed.

Welcome to Dudley's Local Offer

Dudley's Local Offer is a new one stop shop website for children and young people with special educational needs and disabilities and their parents and carers.

Dudley's Local Offer is now part of the Dudley Community Information Directory – an online directory which offers people quick and easy access to information on local services. The Local Offer webpages contain a wealth of up to date information on areas which include education, training and work, health, leisure and fun, care and moving into adulthood. The website aims to help young people and parents to make individual, informed, positive decisions and choices.

What is the Local Offer?
