

This week we have enjoyed learning all about **Bonfire Night**
 What can you **see** on Bonfire Night?
 How do you **celebrate** Bonfire Night? Use the vocabulary from the word mat below.

How can we **stay safe** on Bonfire Night?
 Can you tell a grown up all about **Guy Fawkes**?
 Ask me about the Bonfire party we had in school.

Amblecote Word Ninja

- **Bonfire**-a large fire made outside used for burning rubbish or to celebrate something.
- **Plot**- A secret plan made by a group of people.
- **Danger**- Possibility that someone may be harmed.
- **Zoom**- To move or travel very quickly.
- **Exit**- an opening where you can leave from somewhere.

Say the word. Clap the syllables.

Talk about what each word means.

Can your child use these words correctly in a sentence?

Focus: Representing numbers in different ways

Collect some objects to show 1, 2 or 3

Can you sort your objects into groups or sets?

Here I have made a set of ones, a set of twos and a set of threes.

How many different ways can you show each number?

Can you match the numerals to each set?

Start with smaller numbers increasing to 10 and beyond. Take a photograph and email it to us with any other photographs you have for Mrs Cook's maths competition.
