Miss Arnold

We are really looking forward to you starting Amblecote Pre-school.

AM and PM Pre-school are one Bubble

You will come into school and go home through the green Pre-school gates. Please follow the one way in and out systems marked on the floor whilst on school premises. You will wait in a socially distanced queue outside the

Pre-school doors.

There will be hand sanitiser or wipes located outside of the doors for you to use.

You will come in by yourself, hang your coat on your peg and find your name on the table to put on the board then you can find something to play with.

We will wash our hands lots of times during the day to keep us safe.

All the teachers will help you and show you what to do.

You will be able to play both indoors and outdoors.

We will have our lunch in the Pre-school classroom with Mrs Rhodes. After eating our lunch, we will be ready to start the afternoon session with our friends, they will be different from the children in the morning.

You will need to bring in a healthy packed lunch. No food products can contain nuts.

You cannot play on the playground before or after school. This is to keep you safe and this is ok.

During your time in Pre-school you will take part in a special day called “Muddy Monday”, this means that you will come to school dressed in outdoor weather clothing and you can wear your wellies, we will take part in lots of different activities that we wouldn’t normally do, we will explore the school field and have lots of fun.

Hopefully you are as excited as we are about you starting Pre-school.

If you have any worries, your teachers are here to help you and this is ok. If you would like to email us any pictures please send them to,
