

This Week's Learning

Welcome to this week's Talk Newsletter, we are learning about Keeping Healthy this half term with the emphasis on fruit next week.

We are posting a Knowledge Organiser on the Parent Hub so that parents can help their child at home with the theme for this half term.

Word Ninja of the Day

healthy -fit and well

inspire-make someone excited to do something

active-move around a lot

dehydrated-feeling weak because you haven't had enough water

hungry-when you want something to eat

Talk about what these words mean.

Can your child use these words correctly in a sentence?

Help them by modelling a sentence for them.

Phonics

Talk about sounds you like and sounds you don't like and why.

Draw some pictures of things that make sounds that you like - for example birds singing, the sea or a doorbell.

Play the game '**I Hear with My Little Ear**!' Take it in turns with your child to imitate the sound of something and guess what makes that sound. You could imitate the sounds of things found around your house, like a clock or a telephone, or of recognisable animals like a cat or dog.

Mathematics

Practise counting out objects, such as buttons, toys or sticks collected on a walk. Encourage your child to point to each object as they say the number name.

Talk to children about the different uses of numbers. Talk about numbers you see all around you. For example, 'Look, there are three cats on the wall' or, 'Can you see the number 5 on the gate?' Play games and talk about the numbers on the dice (board games are great for this).

Take a picture of what you find and send it to the class DOJO.

Reminders

Please can we ask parents to remember to make the weekly £1.00 donation to the Pre-school fund, this helps us provide a snack of crackers, biscuits etc. to your child, we are also starting to cook and buy resources to enhance the theme of the week.

It can be paid in advance or on a weekly basis.
