Time for Two's at Amblecote Update

Dear Parents/Carers,

A few months ago we requested an expression of interest from parents concerning the proposed Time for Two's provision in the mobile that would hopefully be opening in September 2015.

Currently we are still awaiting confirmation from Dudley Early Years with regards to funding and alterations to the mobile, plans have been presented but we still have no response from Dudley. We hope to hear from them soon so that we can move on with our plans for this exciting provision.

It is now very unlikely that we will be opening the provision in September. We cannot give you any further information at this moment in time, when we know more details we will contact the parents who expressed an interest.

Yours sincerely,

Mrs Price and Mrs Perigo.
