Dear Parents/ Carers,

We would like to invite you to a workshop to explain the theory behind "Letters and Sounds Phase 1" and the activities we use in the Early Years when teaching the children this phase.

Phase One activities concentrate on developing children's speaking and listening skills, phonological awareness and oral blending and segmenting. These activities are intended to be used as part of a broad and rich language curriculum that has speaking and listening at its centre, links language with physical and practical experiences, and provides an environment rich in print and abundant in opportunities to engage with books. Phase One activities pave the way for children to make a good start in reading and writing.

The workshop will take place in the Pre-school classroom on Tuesday 18th October at 11.10am (we will open the Pre-school gate at 11.05am).

We look forward to seeing you there,

Yours sincerely,

Mrs A. Price and Mrs H. Perigo
