

KS1

## Summer 2018

We hope that this overview of this term's topic will provide you with ideas of how to help your child with their learning.

This term our main topic will be:

**Katie Morag.**

## Literacy

We will be reading a variety of Katie Morag by the Mairi Hedderwick.

**Flip Learning Task:** Who is Mairi Hedderwick and where is she from? Find out all about her.

- Encourage your child to talk about the stories – What is their favourite part? Who is their favourite character and why? Can they retell the story by using the pictures!
- Visit the library to look for Katie Morag stories – perhaps you might find an alternative version of the story! How about information books about Scotland?

To help with reading and writing:

- Read with your child every day and discuss the story and ask questions about it.
- Practise correct letter formation.
- Build sentences using key words and write them down using a capital letter and full stop.
- Practice spelling challenges given. **(These are available to download on our website.)**
- 

## Science

We will continue to learn about a variety of plants and seasonal changes. We will also be learning about habitats and food chains.

## Art

We will be exploring seascapes by Alfred Wallace, Andy Warhol and Magritte. Useful links to explore are below.

<http://www.warhol.org/collection/aboutandy/>

<http://www.andyblair.co.uk/alfredwallis/>

## Computing

We will be using computer software (JiT, Turtle) to programme instructions using position and direction vocabulary (linked to maths). Your child can access JiT at home by logging into RMUnify: <https://amblecotedudley.rmunify.com/>

Please continue to talk to your child about being safe online.

## Geography.

What is an island? The children will be studying the island of Coll. They will use maps, atlases and aerial photographs to explore human and physical features. They will devise a simple map and use and construct basic symbols in a key.

## Maths

The children will continue to work on number, calculations, shape, money and measures.

**Please continue to help your child read the time from an analogue clock at o'clock, half and quarter past and quarter to the hour.**

- Practice maths challenges. **(These are available to download on our website.)**

- Practice counting in ones, twos, fives and tens forwards and backwards.
- Practising 2, 5 and 10 times tables.

### **R.E.**

We will be learning about Christianity and Islam and related stories.

### **SEAL/P.S.H.E**

Our theme for this term is ‘Good to be me!’ and ‘Changes.’

### **P.E. days**

**1/2C - Tuesdays and Fridays.**

**1M - Mondays and Wednesdays.**

**2K - Tuesdays and Fridays**

**Please make sure your child has a full P.E kit for both outside and inside every day. Thank you.**

*Thanks for your continued help and support.*
