

20th November 2019

Dear Parents/Carers,

We need your help!

The Sun - Books for Schools

We have registered for the 'Books for Schools' campaign which is being run in conjunction with The Sun newspaper. The campaign sees each Primary School that registers receive a FREE box of books containing more than 100 titles, worth £600.

In order for us to receive this we need your help. From Saturday 23rd November until Saturday 18th January, The Sun newspaper will start printing tokens each day, we need to collect 3,500 tokens.

Please send these into school and we will keep you posted on how we are doing. As you all know we are doing everything we can as a school to raise money for new books and this will be a massive help in us replenishing out reading books for your children to read and enjoy.

The Book People - Big Book Boost

In addition to this, The Book People are offering the Big Book Boost. For every £10 spent school earns £1 to spend on books. If you are doing any shopping on their website, please select Amblecote Primary School to boost our funds.

Thank you for your continued support.

Miss Skirving, Mrs Marsh & Mrs Price
