What I should already know?

- To be able to log on to the computer.
- That information can be retrieved from computers.

Vocabulary

|	
Avatar	A digital picture to represent someone.
Log in	Using a username and password to access a system.
Log out	Leaving a computer system.
My work	The place on Purple Mash where your work is stored. Only you and your teachers can access this.
Notification	A system that lets you know if you have something to look at. On Purple Mash this is shown by a bell.
Password	A series of letters, numbers and special characters that is entered after the username to access an online site. In Purple Mash, this can also be a series of pictures.
Save	Store your work as you create something so it can be accessed later.
Tools	The area on Purple Mash that contains ready-made-resources.
Topics	The area on Purple Mash with the different learning apps.
Username	A name that is used by someone to access an online site.

Knowledge

In Purple Mash an avatar is a picture you create in the software to represent you. It is safer to use an avatar on the internet than have a picture of yourself.

In Purple Mash most of the work you save will be saved in the My Work section of Purple Mash. The only person that can see this work is the teacher and you.

A password is a secret word or phrase that allows a user to access a website
