

Use of Primary P.E. and Sport Premium 2022/23

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary school head teachers. 3. To increase the profile of PE and sport is raised across the school as a tool for whole – school improvement.
3. To increase confidence, knowledge and skills of all staff in teaching PE and sport.
4. To provide a broader experience of a range of sports and activities offered to all pupils.
5. To increase participation in competitive sport.
